Everest Group's MPHRO research is based on multiple sources of proprietary information (page 1 of 2)

- 1**
- Everest Group's proprietary database of **700+ MPHRO deals** (updated annually)
 - The database tracks the following elements of each MPHRO deal:
 - Buyer details including industry, location, and signing region
 - Deal details including TCV, ACV, contract term, start date, buyer employees served, and primary pricing structure
 - Scope: Process coverage and geographic coverage (employees covered by each region)
 - Technology ownership and maintenance
 - Global sourcing

- 2**
- Everest Group's proprietary database of **operational capability of 22+ MPHRO service providers** (updated annually)
 - The database tracks the following capability elements for each service provider:
 - Major MPHRO clients and recent wins
 - Overall MPHRO revenue, total clients, and buyer employees served
 - Recent HRO-related developments (investments and partnerships)
 - MPHRO delivery locations and level of offshoring
 - Technology offerings within MPHRO
 - MPHRO service suite

1 Assessment for **Ascender, Capita, DXC Technology, MHR, Infosys, and TCS** excludes service provider inputs on this particular study, and is based on Everest Group's estimates which leverage Everest Group's proprietary Transaction Intelligence (TI) database, ongoing coverage, the service provider's public disclosures, and interaction with buyers

Confidentiality: Everest Group takes its confidentiality pledge very seriously. Any contract-specific information collected, will only be presented back to the industry in an aggregated fashion

Buyer surveys and interactions

Global surveys and one-on-one executive-level interviews of buyers are undertaken to understand how organizations perceive performance of their MPHRO provider. The surveys/interviews focus on different aspects of an outsourcing relationship including:

- Key drivers for outsourcing MPHRO
- Contract details (including process scope, signing year, and duration)
- Overall performance of the service provider including key strengths and improvement areas
- Detailed assessment of service provider performance across elements such as:
 - Key MPHRO metrics
 - HR processes
 - Implementation and transition phases
 - Governance and relationship management

The analyses in this report are presented at two levels:

- Overall market analysis that highlights the overall market composition/dynamics
- The current market trends based on deal activities up to December 2016

The sample size varies for different analyses, based on the deal detail availability.

Overview and abbreviated summary of key messages

This report examines the dynamics of the Multi-Process Human Resources Outsourcing (MPHRO) service provider landscape. It provides a deep-dive analysis of how the service providers shape up in terms of their market success and delivery capability. Based on the comprehensive Everest Group PEAK Matrix, 22 MPHRO service providers are segmented into Leaders, Major Contenders, and Aspirants. Additionally, this report contains Everest Group's remarks on each service provider's strengths and areas of improvement.

Some of the findings in this report, among others, are:

MPHRO PEAK Matrix 2017

- Everest Group classifies 22 MPHRO service providers on the Everest Group PEAK Matrix into the three categories of Leaders, Major Contenders, and Aspirants
- Based on the 2017 MPHRO PEAK Matrix, the segmentation of service providers is as follows (in alphabetical order within each category):

Additional HRO research recommendations

The following documents are recommended for additional insight into the topic covered in this report. The recommended documents provide either additional details on the topic or complementary content that may be of interest:

1. **Global HR Outsourcing Trends Handbook 2016** ([EGR-2016-3-R-1996](#)); 2016. This report provides a comprehensive overview on the state of the HRO market – both single- and multi-process. The report also identifies key business drivers trends, and the evolving needs of the buyers in the market
2. **Multi-Process Human Resources Outsourcing (MPHRO) – Service Provider Profile Compendium 2016** ([EGR-2016-3-R-2002](#)); 2016. The objective of this compendium is to provide key stakeholders a snapshot of the offerings and capabilities of 20 major MPHRO service providers. While service providers will be able to benchmark their areas of strength and those of development vis-à-vis other service providers in the marketplace, buyers and potential buyers of MPHRO will be able to assess service providers on their desired set of capabilities
3. **The Future of HR Services – An Employee-Centric, Digital-First Approach** ([EGR-2017-3-V-2316](#)); 2017. This viewpoint looks at the downsides of the traditional model of HR services, the evolving paradigm of HR services driven by focus on employee experience & engagement, and a new model of digital-first HR services that is differentiated from the traditional model in terms of technology, people, and process. It provides use cases in HR for the disruptive technologies of advanced analytics and Service Delivery Automation (SDA). Further, it describes the immense potential of the new model for service providers and best practices that can drive success for enterprises
