Everest Group's MCP research is based on multiple sources of proprietary information

- Everest Group's proprietary database of over **1,000 MCP outsourcing deals**

- The database tracks the following elements of each MCP deal:
 - ◆ Buyer details: Industry and location including facilities and headquarters
 - ◆ Deal details: Including TCV, ACV, term, start date, buyer employees served, pay-slips processed, and the primary pricing structure
 - ◆ Scope: Process coverage and geographic coverage (in terms of number of countries covered within each region)
 - ◆ Technology ownership and maintenance

- Everest Group's proprietary database of **operational capability of over 15 MCP Solution service providers**

- The database tracks the following capability elements for each service provider:
 - Major MCP clients and recent wins
 - Overall MCP revenue, total clients, pay-slips processed, and buyer employees served
 - Geographic coverage by employees and split of clients by industry, number of countries, and employee-size coverage
 - MCP service suite, delivery locations, and level of offshoring
 - Technology offerings within MCP
 - Overall country coverage and partnerships
- Regular platform demonstrations with providers as part of syndicated research relationships, along with ongoing interaction with buyers; custom research engagements help form the knowledge base

Ongoing interaction with buyers, both as part of syndicated research relationships as well as custom research engagements

The analyses in this report are presented at two levels:

- Market analysis that highlights the overall market composition/dynamics
- The current market trends based on deal activities in the last three years

Service providers covered in detail in the analyses^{1,2}

¹ Confidentiality: Everest Group takes its confidentiality pledge very seriously. Any contract-specific information collected is presented back to the industry in an aggregated fashion

² The analysis for NGA Human Resources was done before the announcement of its acquisition by Alight Solutions
