Everest Group's RPO research is based on three key sources of proprietary information

- Everest Group's proprietary database of ~3,000 RPO deals (updated annually)
- The database tracks the following elements of each RPO deal:
 - Buyer details including industry, location, and signing region
 - Deal details including ACV, term, start date, hires managed, primary pricing structure, process coverage, and geographic coverage (at country level)
 - Technology ownership and maintenance
 - Global sourcing

- Everest Group's proprietary database of **operational capability of 30 RPO service providers** (updated annually)
- The database tracks the following capability elements for each service provider:
 - RPO clients, revenue, service suite, and employees
 - Recent RPO-related developments (investments and partnerships)
 - RPO clients split by geography, industry, scope, and buyer size
 - RPO hires split by geography, source of hires, and type of hires
 - RPO delivery locations and level of offshoring

- Ongoing buyer surveys and interactions
 - Everest Group's **executive interviews and data collection** from **RPO buyers**
 - The data contains the following detailed buyer perspectives about RPO deals:
 - ◆ Drivers for adopting RPO and buyer-provider relationships
 - ◆ The level of buyer satisfaction and the underlying reasons

The analyses in this report are presented at two levels:

- Overall market analysis that highlights the market composition/dynamics
 - The current market trends based on deal activity in the last five years
- The sample size varies for different analyses based on the deal detail availability.

Service providers covered in detail in the analyses

Confidentiality: Everest Group takes its confidentiality pledge very seriously. Any contract-specific information collected, is only presented back to the industry in an aggregated fashion

Strengths

- Service provider 1, has a robust delivery presence in Asia Pacific with multiple delivery centers in India, Australia, the Philippines, and China, enabling it to service client requirements efficiently
- It has a good number of multi-country as well as single-country clients across the world

Areas of improvement

- Service provider 1 should increase offerings of value-added services such as employer branding, talent communities and workforce planning
- It should try to expand into larger multi-country deals and also scout for engagements in other Asia Pacific markets to strengthen its presence in the region
